ABOUT US

Aims Management Consultants is one of the largest and fastest growing business management consulting organization offering business consulting services to organization of all nature and size in all over India.

ABOUT US

We Provide one of the most comprehensive suits of consulting services, products training in the field of Quality Management, Marketing Management, Human Resource Management, Finance Management and Strategic Management to the organizations across all the industry.

Our mission is to provide effective, competitive & practical business solutions to the organizations to optimize their operational efficiency in order to maximize return on investment and ultimately to achieve their AIM.

Aims Management

Consultants is specialize in ISO 9001:2008, ISO 14000, HACCP, OHSAS, SA 8000, CE Marking, TS 16949, BS 17779, ISO 17025 etc.

ISO 9001:2008

HACCP

CE MARKING

ISO 14000

We help you transform your business so that it responds quickly to ever changing level of competition, customer expectation and market flux.

This means rethinking how processes, people and information can be integrated across your company. Reinvesting rigid, costly or underproductive processes. Replacing them with flexible, scalable, Productive and cost effective processes by utilizing ISO 9001:2008, ISO 14000, SA 8000 and other standards.

Aims Management Consultants provide solutions that change the way people work and organizations do business. In virtually every industry, from manufacturing to financial services, Information technology to education, health care to trading, Aims has been helping companies leverage their resources by reducing their operating costs and increasing their productivity.

Our Team

Our Team

We have a team of highly qualified and experienced professionals with proven problem solving, consulting & analytical skills. Our team successfully executing the growth strategy that has increased our client base.

Our consultants define competitive strengths and threats, plus performance gaps and growth potential. To assure successful implementation and competitive advantage, our consultants will develop execution plans and control plans for the management system under consideration.

Our Team

Irrespective of nature and size of the organization, our consultants with their easy to implement consulting approach make any of the management system certifications like ISO 9001:2008, ISO 14000, ISO 18001, HACCP, SA 8000, CE Marking, ISO 27001 etc. look simple and easy to implement.

All the consultants work with a single passion-
“Partnering the client organizations in their journey towards excellence and achieve sustainable competitive advantage.”

Area of Expertise and Experience

Our strength lies in the company specific consulting solutions so that a small organization of less than 10 employees can implement any of the ISO standards with equal effectiveness as compared to a multi locational multi product/service organization of 5000 employees
